IBOSM&W 2026

Dear Colleagues

We are pleased to announce that International Breast Oncoplasty Masterclass and Workshop (IBOSOM&W 2026), under the aegis of The Association of Surgeons of India, West Bengal Chapter, will be hosted by Saroj Gupta Cancer Centre and Research Institute on Saturday the 8th August 2026.

You are cordially invited to attend this UK-Bengal collaboration meant for Postgraduate students & Young Surgeons interested in Modern Oncoplastic Breast Surgeries.

The masterclass will uniquely combine removal of cancer and specialised remodelling procedures to preserve the appearance of the breast. The workshop will also emphasise on selective use of ultrasound and guided procedures in the hands of breast surgeons, which can significantly improve patient outcomes.

We are proud to have many eminent members of the international and national faculties, who will be sharing their knowledge and expertise. Furthermore, The Royal College of Surgeons of Edinburgh has awarded 6.0 CPD hours for the Masterclass and Workshop.

International faculties:

Adrian McKenna

Consultant Oncoplastic and Reconstructive Breast Surgeon, Craigavon Area Hospital, Southern Health and Social Care Trust, Northern Ireland, UK.

Our institute, as you are perhaps aware, reflects the vision of its founder Dr Saroj Gupta who wanted to create a cancer hospital accessible to those who are economically disadvantaged. The focus has remained on prevention, and treatment of cancer, as well as training and research. The institute has regularly held many local, national and international meetings and conferences over the years for updation of the latest in the Medical Science related to Oncology.

This is one such endeavour and we are sure this is going to be hugely beneficial for all those who will attend. We warmly welcome your participation, which will help, as always, a long way in making the event a success.
